REMINDERS:

Bringing money is not recommended on field trips:

If your child brings money for field trips, it is your child's responsibility to keep track of their money and store it in a safe place. Staff is not responsible for a camper's personal money. There is no guarantee that there will be time/opportunity to use personal money on field trips.

Parents who will have late arrivals or early dismissals are responsible for transporting their children to or from the field trip site. Please note that no staff will remain onsite at camp during field trips, and children cannot stay behind instead of attending the trip.
